Dear Mr. Randy Reid:

On behalf of the 52,000 professionals represented by the New York State Public Employees Federation (PEF), we are proud to announce that our union is endorsing your candidacy for election to the New York State Assembly in the 124th District.

As you know, we continue to face the unprecedented economic and public health challenges caused by the pandemic. We know that you appreciate and value the work performed by public employees in your district and around the state to meet these challenges. We also know that you understand the needs of working men and women and their families and support the programs and services that address these on-going needs so that this state can move forward in a safe and sustainable manner.

We look forward to working with you in the New York State Assembly and wish you well in the upcoming campaign. Please do not hesitate to contact us if we may be of further assistance.

Sincerely,

Wayne Spence
